FOREWORD

Civil Aviation Publications (CAPs) are issued under the authority granted to the Director General by Decree. The intent is to provide the aviation industry with guidance material and policies for the safe conduct of aircraft operations.

Whenever an operator/organisation becomes aware of a deficiency or error, he/she should refer the matter to the Chief Operating Officer.

The CAPs on the Authority website are controlled documents. Any CAP downloaded by an operator/organisation becomes an uncontrolled document and it is their responsibility to ensure it is current.

Any text that has been amended since the previous revision may be located by using the square bracket symbol in the find toolbar. Another square bracket symbol denotes the end of the amended text.

It should be noted that CAPs are published primarily as guidance material. However the use of the word “shall” in these publications must be considered as CAA policy and requires compliance.

A handwritten signature in black ink, appearing to read 'm. conti', is located above the printed name of the Director General.
